**Close Lid**

1. Square up Ballot Box as shown. Fold bottom flaps in in order shown. After folding flap #4 in, allow the four flaps to "spring" back into locked position.

2. Stand Ballot Box upright. Fold top flaps in as shown. Close lid as shown. Insert locking tab into corresponding slot as shown in inset to secure.

Insert Header Down Into Slots
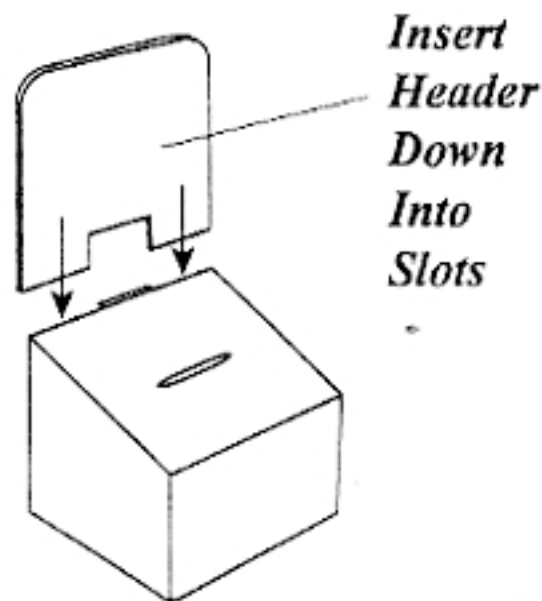

Your Completed Display

Header Optional

If Optional Header is Used... Insert tabs on header down into corresponding slots in top of Ballot Box as shown.
