

Display Set Up Instructions

1. Start with the tray laying out flat in front of you.

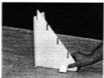

2. Fold in the bottom panels as shown in the picture.

3. Fold over the side panels and lock them in place using the tabs.

4. Fold in the front minor flaps. Fold up and roll over the front panel. Lock into place using the tabs. The tray is complete.

5. To assemble the shelves, fold the divider panels in half as shown above.

6. Pre-break all the scores on the insert and fold along all the scores before sliding in the divider.

7. The insert should be partially inserted into all the slots on the divider before the insert is fully pushed in.

8. When the shelves are complete, slide them into the completed tray as shown above.

9. The top flap on the shelves folds over the top of the tray and slides into the slots on the back of the tray.

10. Slide the header into the top slots on the tray. The tray part of the display is complete.

11. To assemble the base start by squaring up the base and folding under the bottom flaps.

12. Fold down the front of the base and slide together the corresponding slots as shown above.

13. To attach the tray to the base, start by pulling out the two tabs on the bottom of the tray.

14. Set the tray on top of the base and insert the tab into the slot on the base. The wings on the tab have to be folded in to slide through the slot.

15. The display is complete.
